MANC-RISK-SCREEN (RRID:SCR_028445)

Resource Information

URL: <https://github.com/stuwrightthecon/MANC-RISK-SCREEN>

Proper Citation: MANC-RISK-SCREEN (RRID:SCR_028445)

Description: Software application as discrete event simulation model built in the R programming language which simulates individual women through different risk-stratified breast screening programmes. Used to evaluate the costs, outcomes, and cost-effectiveness of different breast cancer screening strategies, particularly risk-stratified approaches in the UK. It helps policymakers determine the best screening intervals for women based on risk rather than just age.

Resource Type: software application, software resource, source code

Defining Citation: [PMID:38755403](#)

Keywords: simulates individual women, different risk-stratified breast screening programmes, breast cancer screening strategies,

Availability: Free, Available for download, Freely available

Resource Name: MANC-RISK-SCREEN

Resource ID: SCR_028445

License: GNU GPL v3

Record Creation Time: 20260514T062433+0000

Record Last Update: 20260805T044626+0000
